
RELEASE NOTES

for Hot Fix 2 for SAS® Credit Scoring for Banking 4.3

29 December 2008

SAS® Credit Scoring for Banking 4.3 is the latest stable release of SAS® Credit Scoring for Banking.

Hot Fix 2 should be applied after SAS® Credit Scoring for Banking 4.3 and SAS® Credit Scoring for Banking 4.3-Hot Fix 1 have been installed.

Bug Fixes

Please refer to section 2.3 in bis_crs_4.3_hf2.pdf for bugs which have been fixed.

Known Issues / Problems

=> None at the time of release

Note

Solution does not expect negative scores for account and application. Hence model monitoring reports will not work in such cases.

System Requirements

=> Please see <http://support.sas.com>
